WESTCHESTER COUNTY

A Message From The Publisher

We are pleased to provide you with our 2018 local Town Planner Community Calendar. Based on the feedback from the community, each year we make changes to the calendar to make it more useful to you. We sincerely hope that you enjoy the calendar, including the beautiful pictures, recycling and trash schedules, and other useful information.

This calendar has been made possible and sent to you free because of the generosity of the local businesses and professionals in the community who rely on your patronage. Please be sure to thank them and shop locally!

There are many reasons to shop locally, including:

- Strengthen and invest in your local community
- Create more jobs
- Support community groups: Organizations receive 250% more support from smaller business owners than they do from large businesses
- Keep our community unique

The beautiful photographs have been taken by our local photographers that have captured the beauty of Westchester County. Reprints of these photos are available from the respective photographer listed below the photo. Please feel free to contact them.

We are always looking for ways to improve your Town Planner Calendar and welcome your ideas. We wish you a happy, healthy and safe new year!
