**A WORD FROM YOUR 'NEW' PUBLISHER**

Hi! My name is Mary Standen and I am so happy to introduce myself as the NEW Publisher of your Community Calendar! This is a new adventure for my husband Jeff and I. Jeff recently retired from banking where he spent 39 years helping Westside small businesses with their borrowing and cash management needs. I just left a successful 21 year Real Estate career where I helped customers in all communities on the Westside with their buying and selling needs.

We hope to use our years of business experience to help your local businesses succeed. This calendar would not be possible without the support of your local businesses that offer you great deals, so please frequent their business. My husband and I have already committed to changing who we do business with to support our Local small businesses that support our Communities.

What to watch for in 2018?

- We have added the National Day for all 365 days!
- We have added many new Sponsors with great offers!
- We will be working on improving our Facebook content with the goal of being the one place you go for all events going on in Northeast Ohio!

Please email or give us a call with any ideas you have to improve your Community's Town Planner Calendar and WIN \$100.00 Gift Card (see below). No one knows your Community better than you and we would like use your knowledge to make your Calendar the best it can be!
