Green Bay

Dear Friends & Neighbors,

We are proud to present you with this 2018 Town Planner Calendar celebrating 18 years of publication in Green Bay. This community resource is a FREE GIFT from our local business and professional sponsors whose messages and coupons are displayed on each calendar month.

Our goal is to bring to the Green Bay families the most useful resource guide available by providing:

- Emergency and important phone numbers on the back cover for easy reference
- Community events, recycling schedules, and area attractions
- Local school schedules and sports information
- National holidays *
- Large appointment squares, and
- Money saving coupons

The businesses and professionals who have sponsored this Town Planner thank you for your support. Please continue to patronize these businesses and let them know that you appreciate and use the Town Planner. If not for them, this valuable publication would not be possible. Also be sure to take full advantage of the money saving coupons that are redeemable throughout the year.

The Town Planner is a valuable community asset. I encourage you to display it where the whole family can see it and use it throughout the year. If you know of a business that has a strong sense of community, please encourage them to sponsor the Year 2019 Town Planner Calendar. Also, if you know of an event for the year 2019 that the community would enjoy, let us know.

The Town Planner is YOUR calendar. Please let us know what you like about it and where we might improve. Include your response on the attached business card by January 30, 2018 to register to win a \$500 Shopping Spree!

I hope that you'll enjoy using this calendar and I wish you a happy, healthy, and prosperous 2018!

Sincerely,

Monica Fletcher
