Welcome from the Mayor of Carmel

Welcome to the Town Planner Community Calendar! I am delighted that you are enjoying this free publication, including local ads and coupons from businesses within our community, school schedules, community events, civic information and local reference numbers. The pictures are all taken locally and submitted by professional and amateur photographers from all over Indiana. The City of Carmel is proud to contribute to this effort!

In addition to the great events published here, our city has numerous attractions for you to visit. Carmel's Arts & Design District, centered around Main Street and Range Line Road, is a thriving mix of unique galleries, boutiques and restaurants. It is also home to the Indiana Design Center, the Midwest's premier destination for the design community and the public.

North of the Arts District on Range Line Road is Clay Terrace, an outdoor shopping and dining lifestyle center. In addition to Clay Terrace, City Center, located at Range Line Road and City Center Drive (126th Street), offers front door access to retail, restaurants and entertainment.

Some of the world's finest entertainment can also be found in Carmel at The Center for the Performing Arts, located at City Center Drive and 3rd Avenue SW. The Palladium concert hall, the Tarkington Theater and the Studio Theater provide a wide variety of artistic performances. Visitors can also learn more about the Great American Songbook Foundation and its collection housed at the Palladium.

When you want outdoor recreation, Carmel has more than 800 acres of parks for you to enjoy. The Monon Greenway is a popular 5.2 mile pedestrian and bike trail that connects many of our city's best amenities. The Monon Community Center at Central Park, located along the Monon Trail at 111th Street, features a state-of-the-art fitness center and indoor and outdoor water parks for the whole family to use. Daily admission rates allow visitors to experience this wonderful facility.

We are excited to be a part of the Town Planner Community and encourage you to experience all Carmel has to offer.

Very truly yours,

Jim Brainard
Mayor

There's lots to experience – from the arts to recreation to unique and ever-expanding opportunities for shopping and dining. Add our high-achieving school systems and thriving business environment and you have an exceptional area to grow your family or your business.

OneZone represents a growing variety of businesses, and you can find them on our website – www.onezonecommerce.com. You can also find the business you're looking for in our on-line directory, and check out the community calendar, job listings and information affecting business.

We think strong business communities make strong communities. Thanks to the investments of the growing number of successful businesses choosing Carmel and Fishers, we see a lot more firsts in our future.

Best wishes for a terrific year!

Dan Canan
Executive VP OneZone
A Hamilton County Chamber

On behalf of OneZone, I hope you enjoy the 2018 Town Planner Community Calendar. OneZone supports over 1300 business members in Hamilton County and the surrounding area as a commerce connector and business advocate. This publication is provided free of charge to the public thanks to the generosity of our local businesses. The calendar highlights many of the activities that make Fishers a GREAT place to work, live and visit.

There is a lot of excitement going on in Fishers especially in our Nickel Plate District with new apartments and shops along with the opening of IKEA and Top Golf. The Fishers Farmers Market, in its 13th year, is being facilitated this year by the City of Fishers and continues to be a major draw bringing over 2,000 shoppers every Saturday of the season. The market is held on the grounds of the Nickel Plate Amphitheater and is generating a new sense of community.

OneZone hosts two annual Golf Outings, Business After Hours, Educational Seminars and much more. These exciting events promote our local businesses, offer volunteer opportunities and introduce the community and visitors to local markets.

OneZone is enthusiastic about our future and I invite you to become part of the "action" here.
