PROTECT everything that's you

Millions of people lose their identities every year

Don't be one of them.
You need a company that's more than a website or data breach specific coverage. You need an established institution that understands all the potential threats, how to prevent them and how to restore any damage done. You need IDShield.

Dear Friends and Neighbors:

I want to take this opportunity to thank the Town Planner Community Calendar for allowing me to express how important it is to shop locally whenever possible. The City of McHenry is grateful to our business owners who help support numerous local charities, service clubs, and special events. An investment in our local economy benefits business owners and the entire community.

Although the City of McHenry does not participate in the content or layout of the calendar, I agree it is a resource for our residents to locate important phone numbers, websites and special community events.

Sincerely,
Wayne Jett Jr.
Wayne Jett Jr.
